

Creative Curiosity

Taking a look at the creative process, idea generation, and opening the mind to get to the heart.

Question the Answers

Is there really a right way?
What if there were no rules?
Using questions, we'll start writing our first hooks in a Group writing session.

The Voice of Your Song

How melody, rhythm, and dynamics form the voice and emotion of your song. We will use simple chord progressions and explore the power of the soaring wordless vocal to tap into the Heart.

The Voice of Your Heart (Performance Targeting)

We all can sing out loud, and most of us really want to. Through a series of creative dynamic singing exercises, we are going to guide those who want to find a different connection to their inner voice.
